## MISSIONARY UPDATE

→John & Barbara Whitehouse

**Cru - The JESUS Film Project, Asia**

On April 18th, our son Matt (27) had a 12-hour surgery at St. Vincent's Medical Center in Los Angeles to remove a tumor on his acoustic nerve and have an auditory brainstem implant (ABI) put in. Thanks for all your thoughts and prayers! The surgeons were really pleased with how the surgery came out. They were able to remove almost all the tumor except a small part on his facial nerve, one of the biggest concerns. Thankfully his face is in great shape, smiling like before! We came to this clinic because this type of surgery is rare due to the ABI, which was developed at this clinic. They have not activated it yet because they're waiting for him to heal first. We will return in June for them to activate the ABI. Pray it will work and Matt will learn how to use it.

Here is a story of God's work in Afghanistan with the nationals that I (John) help:

*"Believe in the Lord Jesus, and you will be saved, you and your household."* **Acts 16:31**

This verse always encouraged Sarah since she received Christ as her Savior over eight years ago. She often prayed for her relative's salvation even though when they found out that she, her husband and children were Christians, they wanted to kill them all. For safety reasons they moved and cut off any connection with them. Four years passed and they began to talk again. Sarah's brother came to stay with them, and sensing an openness, they shared their testimonies with him. They gave him a Bible... he read it and looked for the truth. Then they showed him the JESUS Film, and he started coming to the church services they had in their home. During the Christmas service he wanted to accept Christ, but he worried about his mom... how would she feel if he became a Christian, like his sister? But God gave him peace, so he did! He went back home where he shared the Gospel with his brother and sisters and gave them a Bible to read. Just a week ago Sarah and her family went to visit...during their time with them, five of them watched the JESUS Film. Two sisters asked Sarah if they could know more, but their father didn't like them to talk about Jesus. That day, one sister accepted Christ and another said that she needs more time to read and understand about Jesus.

Please pray that all will come to faith, and for courage & protection as they live for Christ in such a place.
