## MISSIONARY UPDATE

### →Sam & Jenny Hanson ACI International

Hello ACC Friends,

Thank you so much for your prayers for our ministry. Here is a glimpse of some of the things God has done through your prayers and us these last few months.

Sam wrapped up his course on the **Culture of the New Testament** a month ago. He was excited to have seven people complete the course. His students loved learning and have been begging for more classes. One of his students is a local pastor looking at getting more training to equip him to be a better pastor. Sam is looking forward to equipping and discipling this pastor throughout the next few months and help him grow in his understanding of the Bible and his ability to study the Bible on his own. Pray for Sam as he will be teaching two classes in the Fall as well as starting a small discipleship group for a few dedicated students wanting to study more and allowing Sam to develop and equip them in a more personal setting than a classroom.

We hosted a youth group from Chicago at the end of June. They helped us run two Vacation Bible clubs and get a lot work done around the camp. We had great turn outs, not only of kids, but also a good group of moms and dads that would stay for the duration of the clubs. Many children prayed to receive Christ as their Savior! Pray with us that we can follow up with some of these adults and be able to study the Bible with them and that the children will continue coming to our kid's club when we start up again at the beginning of the school year.

We are starting to form up a group of adults that desire to be more involved. Jose, one of these adults, is a firefighter and has been looking for ways to reach out to his fellow firefighters. He is hoping to organize an outreach event for our church to reach out to the families of the firefighters with the Gospel. He is also hoping to get some firefighters from Chicago to come visit, share their testimonies and encourage the firefighters to believe in Jesus. Pray for wisdom and dedication for Jose as he and the church plans some of these outreaches to best share the Gospel with them.

Thank you so much for your prayers and support making our ministries here possible.
