MISSIONARY UPDATE

→Jeff & Sheny Walker
Fellowship International Mission

We just finished an excellent week of camps in Mexico at the end of July. This summer camp for kids was unique in that it was focused on reaching non-Christian kids from one of the most problematic neighborhoods of Aguascalientes. This is the same neighborhood where our daughter, Julie, has an after school program plus kids club meetings Monday through Saturday, and where we are planting a new church. We are hoping that through the kids clubs and camps that we will reach the kids and then also the parents. We had about 20 kids from the neighborhood attend. Our theme this year was **Under the Sea** with several messages from the book of Jonah and a couple from the Gospels. As I gave a message on salvation, it was exciting to see a little over half of the kids accept Christ for the first time. They all were very thankful to be able to come to the camp and had really great attitudes. We had a good group of eight older youth helping lead the camp including our daughters, Julie and Tiffany. The team of youth did a great job in bonding with the kids, showing them love, and giving them good examples to follow. As we finished the camp and as they arrived back to their neighborhood, it was neat to see all their excitement and joy. They all gave a cheer for Tiffany, and said that they were going to miss her as she goes back to college. Their joy and excitement for sure is opening up a door for sharing Christ with the parents and others in the neighborhood. Pray that many relatives will come to Christ in the neighborhood.

Many of the youth who helped lead the camp are getting motivated for preparing for further service. Nacho is planning on starting full time seminary training starting at the end of August. Another couple of guys are considering studying as well in the near future. Pray that the Lord will continue to raise up and prepare more leaders and will allow us to have more great camps. Thanks so much for praying and supporting us in this outreach to Mexico.

Love,
Jeff, Sheny, Julie and Tiffany
