MISSIONARY UPDATE

→Greg & LuAnn Lyons Global Surge, Manila

Dear Friends at Alderwood,

We are so thankful for the partnership you and your church have with us! Global Surge has had a great season of ministry! You are making a difference in many areas! As the ministry expands, there are many areas that we can report.

Drug Culture Outreach

God has opened a great door to reach drug addicts, dealers, and key drug pushers with the Gospel. The Philippine President recently declared a war on drugs, and has put into effect some very strong laws. He gave them a deadline to turn themselves in. The local government asked our church to help with rehab and restoration. Many, along with their family members, have been saved and their lives changed. We have seen restored families, began discipleship, and hundreds are now attending church!

Gospel Impact

Over the past year, God has blessed with 87,782 saved! Over 21,000 of them have committed to discipleship programs. We have reached people in Metro Manila, Phnom Penh Cambodia, Bangkok Thailand, Mean Channu Pakistan, plus other countries where our missionaries are working. Our goal is to win them, disciple, get them connected in a small group, and active in a local church near them. We praise the Lord for 11,835 who have followed the Lord in baptism this past year. Please pray for these new believers. You are making a difference in lives!

Buddhist School Update

The Buddhist School we purchased in Cambodia last year is now fully staffed with Christian teachers! Over 120 have been saved since we began. The students are now impacting their families! We have a new outreach into the Royal University and are laying the foundation for another level of the school. We will open a new work among the college students soon!

Global Impact

We have launched 27 missionaries! We are expanding to new countries! More are preparing to go to the mission field! Through *Baptist Bible College Asia*, we are continually training those who will go and share the Gospel throughout Asia and to the world! Thanks so much for partnering! Together, we are making a difference...not just a dent!
