→For Our Guests

- We're glad you are here! Stop by the Welcome Center in the lobby and pick up a **Guest Gift Bag**...includes a gift certificate for a beverage of your choice at the espresso stand in our lobby.
- Please fill out a Communication Card located in the chair pocket in front of you and place it in the offering plate later in the service, or drop it off at the Welcome Center.
- You are welcome to take one of the Bibles under the chairs as a gift from us.
- All of our worship services experience the same sermon but have distinct musical styles: the 8:30am service is a blend of hymns and contemporary worship songs, and may include Choir & Orchestra. The 10:00am and 11:30am services offers a modern, alternative worship style.
- We offer a supervised and secure nursery, a preschool aged program, and classes for adults and kids of all ages.
- If you are a nursing mother, we have a lounge for you and your baby in the East Hallway near the nursery. (No sick children please.) The service will be on a TV monitor.
- If you need prayer, please come forward at the end of the service. We will have prayer team members there ready to pray with you.

MISSIONARY UPDATE

→Jesse & Hannah Van Gorkom EMI (Engineering Ministries International)

Greetings from Uganda, East Africa!
BIG news!!! We are expanding the EMI Workshop! Let me give you a quick overview of the work that we do. I (Jesse) help manage the Workshop for EMI Uganda. We fabricate steel and timber products to support the construction management and design projects that EMI takes on for other ministries throughout the country. Right now our products include: windows, doors, cabinets, wardrobes, hand rails, and pre-fabricated steel wall sections. Last year around this time our workshop here in Kampala employed three Ugandan craftsmen. Now, barely one year later, our number has increased to 14!

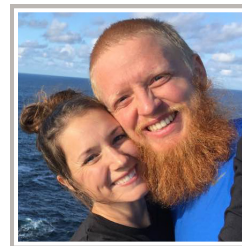

Our main goal is to build into the lives of the men who work with us. However, God has also provided more fabrication work than we can handle through the various EMI Uganda design and construction management projects.

We have already outgrown our existing work space, so EMI is beginning the planning and fundraising process to construct a new workshop that will enable us to employ up to 40 guys, with increased capacity for projects, training, and discipleship! Want in on the adventure?? EMI is organizing a fund-raising climb up Mt. Kilimanjaro, Tanzania, this January and you're welcome to join! Check out emiworld.org/events/kilimanjaro or contact us at jesse.vangorkom@emiworld.org for more info. Or you can join us in sponsoring one of our Ugandan staff in the climb!

Hannah and I are doing well and staying very busy. Hannah is handling payroll for the Workshop and is training one of the workshop guys to help. This means she comes into the office with me at least twice a week!

I have been helping to lead a discipleship group in our office, as well as organizing (and usually leading) a Bible study with the guys in the workshop once a week. On the job welding and fabrication training is always on-going. I enjoy being able to train and work with the guys in the shop, I am always learning from them as well! Please continue to keep us in your prayers. There are a few big changes coming up for the workshop. Pray for wisdom and guidance as we head into the next several months. And please pray that our friendship with neighbors and our church family here in Uganda would both continue to grow.
