

## NEW TO ALDERWOOD?

### →For Our Guests

- We're glad you are here! Stop by the Welcome Center in the lobby and pick up a **Guest Gift Bag**...includes a gift certificate for a beverage of your choice at the espresso stand in our lobby.
- Please fill out a Communication Card located in the chair pocket in front of you and place it in the offering plate later in the service, or drop it off at the Welcome Center.
- You are welcome to take one of the Bibles under the chairs as a gift from us.
- All of our worship services experience the same sermon but have distinct musical styles: the 8:30am service is a blend of hymns and contemporary worship songs, and may include Choir & Orchestra. The 10:00am and 11:30am services offers a modern, alternative worship style.
- We offer a supervised and secure nursery, a preschool aged program, and classes for adults and kids of all ages.
- If you are a nursing mother, we have a lounge for you and your baby in the East Hallway near the nursery. (No sick children please.) The service will be on a TV monitor.
- If you need prayer, please come forward at the end of the service. We will have prayer team members there ready to pray with you.

## MISSIONARY UPDATE

### →John & Barbara Whitehouse Cru - The JESUS Film Project

A few years after we returned from Japan (1993), John started "Talk Time" in our home so American believers could befriend and be a witness to 700 Japanese international students at a nearby college. It was a great opportunity for international students to meet Americans, get a dinner and practice their English. Often times, it provided believers in the community to share the gospel lovingly with the students. That was a long time ago, but it continues to this day, now led by Dana & Vivian Huff, to their credit, members at ACC.

Now we've returned to the Seattle area. And guess what, we've started it again!! But this time led by Barb and myself at Everett Community College, close to our home in Marysville.

There are some important things taking place.

1. It is in a comfortable home situation (our home, every Thursday night); "few ever enter an American home".
2. American believers are involved. We are here to give vision; train and connect them, but not do the ministry all by ourselves. That way we can spread the gospel more widely as we cast vision and equip others to do the same.
3. They are happy and enjoying themselves, both American and international student. We share in the context of love and friendship.
4. It is structured: free dinner; conversation practice; and a game.

Simple enough. But a powerful concept considering 80% of international students do not have an American friend when they return home. Plus, for the American believer it is a real eye opener. Recently one of the Americans helping said, "This is a good thing you are doing. Through talking with the students I noticed few know anything about Jesus".

Pray for students to hear about and want to come to TT (especially Muslim students who are harder to get to come). Pray for guidance for the volunteers as they witness & show the love of Christ to these students. Please remember the Huff's Talk Time too, focused on Edmonds Community College.

Pray for more volunteers for both Talk Times.
