Living a Life of Influence

Mark 1:40-45 (Page 813, 991 or 1002)

Sermon Questions:

	Sermon Questions.
1.	Pastor Curtis suggested that perhaps we might wish that Jesus had given us the same command He gave the leper: "Don't tell this to anyone" (v. 44) How do you respond to that thought?
2.	The leper told everyone he knew how he had met Jesus and what Jesus did. What keeps you from telling other people about what Jesus has done for you? Related, what might keep you from inviting friends/acquaintances to church?
3.	What are some parallels between our situation and the leper's? How does leprosy relate to our own condition with God and why might that matter?

4.	In what ways are you building relationships and engaging people outside the walls of the church to be like Jesus?
5.	Check out verse 43 in a few different translations. Jesus was stern with the man. Some translations say He "drove him away". Why do you think that was the case?
6.	How can the community you share with your Life Group drive you to more deeply impact the community you live in?
