

Welcome

We're glad you're here

If you're a guest, we invite you to take a gift bag as our way of saying "thank you". Inside you'll find information about the church, resources, and a certificate for a free drink at our espresso stand. Available at our Welcome Center in the lobby.

We want to hear from you! Fill out the Communication form on the app or the Communication Card in the seat-back in front of you. We would love to pray for you and get you more information. Drop the card in the offering as it goes by.

Nursing mothers, a lounge is available for you and your baby in the East Hallway, near the nursery. The worship service will be provided for you on a TV.

Finally, if you would like prayer for any reason, we invite you to come forward at the end of the service. We have a team of people ready to stand with you in prayer.

So even if we were able to pass out Bibles to everyone written in their language, most people would not be able to benefit from them. But radios are inexpensive and are shared among families in the most remote villages. Radio and health care are complimentary ministries. Through the hospital ministry, the Gospel is proclaimed to thousands of people every year who come to the Christian hospital for help. Through the radio ministry, the Gospel is proclaimed in several of the national languages of Niger to thousands of people daily. Our radio ministry colleagues are currently traveling around the country visiting radio stations and negotiating broadcasting fees. The airwaves have become even more strategic recently with the deteriorating security situation in parts of the country. We are more limited in where we can travel...

“I have compassion on these people; they have
