### EVENTS AND INFO

#### ACC'S RESPONSE TO COVID-19 HEALTH CONCERNS

Our staff and elders have made the decision that we will not assemble in person until Phase 4 of Governor Inslee's plan. All dates are speculative at this point, but that may mean we are not able to hold services in the building until late July. During this time, we will continue to produce quality, online worship services, social media content, and lessons for children and students. We hope this encourages and equips you during this season.

We encourage all of our ACC family to conduct a small worship service at home. We have an **ONLINE WORSHIP EXPERIENCE** (including a message for kids & students) via the ACC app or our website: [alderwood.cc/online](http://alderwood.cc/online)

(A final decision about whether Family Camp will be cancelled or not will be made later in June.) Visit our calendar at [alderwood.cc/events](http://alderwood.cc/events)

#### MISSIONARY UPDATE

##### RYAN & DIANA CLEVELAND

CRU (LEADERSHIP DEVELOPMENT & HR DIRECTOR FOR VALOR)

Dear ACC Family, This past March/April have been the busiest months of ministry in my nearly 20 years with Cru. Those of us in leadership went into high gear to figure out how to best help our missionaries in the midst of this season of "shelter in place." Directors were trained as "designated care people" for any of our folks that had, or had symptoms of, COVID-19. This was not medical care, of course, but offering care and support. I was also assigned to a special project group to compile specific care resources for our staff as they engage ministry in an entirely different way during this season. We also had to reallocate all our missionaries from their planned summer missions, that were canceled, to summer seminary classes, special projects, other training opportunities, or even sabbaticals. This is all in addition to my normal responsibilities. Fortunately, we seem to be past the peak and moving out of crisis mode. One really cool thing happening soon is one of our Valor missionaries, Shane, came up with a great idea for a summer online Discipleship Intensive program in partnership with Navigators and Officer Christian Fellowship. Much of what we are experiencing at home is similar to what we imagine you are experiencing; kids at home, being teachers, being isolated from our family and other friends, and missing in-person fellowship with our brothers and sisters in Christ.

##### Prayer Requests:

- Please pray for the online Summer Discipleship Intensive.
- Please pray for Valor as we try and plan for ministry in the fall with so many factors unknown.
- Pray that the Lord would make Himself known in the lives of Cadets, Midshipmen, and Veterans both now and this coming school year.
- Pray for Diana's ministry to immigrants, internationals, and refugees in our community. Pray that the Lord would continue to help guide and direct her, especially now when things at home are so much more chaotic.
