### EVENTS AND INFO

#### ACC'S RESPONSE TO COVID-19 HEALTH CONCERNS

Our staff and elders have made the decision that we will not assemble in person until Phase 4 of Governor Inslee's plan. All dates are speculative at this point, but that may mean we are not able to hold services in the building until late July. During this time, we will continue to produce quality, online worship services, social media content, and lessons for children and students. We hope this encourages and equips you during this season.

We encourage all of our ACC family to conduct a small worship service at home. We have an **ONLINE WORSHIP EXPERIENCE** (including a message for kids & students) via the ACC app or our website: [alderwood.cc/online](http://alderwood.cc/online)

Many upcoming events have been cancelled, and some are up in the air at this point. We will let you know as soon as we can about summer and fall events. (A final decision about whether Family Camp will be cancelled or not will be made later in June.) Visit our calendar at [alderwood.cc/events](http://alderwood.cc/events)

### MISSIONARY UPDATE

#### MANNY & GLENDA FERNANDEZ WORLD LINK MINISTRIES

Our beloved family at Alderwood! Satan may love the coronavirus, but God is winning! This is how the score sheet reads so far:

In **SPAIN** we just finished the school year. Students are ending the year in uncertainty as the economy seems at a total standstill. Even seasonal jobs have disappeared. It is doubtful there will be a tourist season this year. This is huge for Spain, a country of 47 million which normally hosts 55 million tourists. Trillions of euros will go missing. Yet we're adding online teaching to reach new regions. People are hungry for God!

**CUBA** is closed at present, but there is a lot of ministry activity. Because of their severe needs, there's a lot of relief work going on, and our teams are preaching the Gospel to multitudes. The churches we've planted are distributing food to the needy...the primary focus is to unbelievers in the name of the Gospel. Thousands are coming to Christ.

In **MOROCCO** our team of two national leaders 25 years ago when we began has grown to a great force of 20 strategic leaders. They have been supporting themselves financially until now. This crisis has forced them to cry out for help. We're giving relief to workers who are getting absolutely no help from government programs.

**BRAZIL** is having a hard time with the pandemic. In many regions, hospital capacity is totally insufficient, with not a single bed available. Many people are simply being sent home to die—which spreads the infection further. Pray for Brazil!

**INDIA** continues to thrive with evangelism. As food is delivered, the Gospel is being preached at the point of distribution. We've had a couple of waves of outreach in the north, and now another wave is underway in the south. The need is great, but God is greater—getting people's attention, and opening their hearts! The ministry in India is making amazing progress! Over 5,100 have come to faith in the north effort alone.

**YOU! You are the root. These are the fruits. You may not be seen, like the root normally is not. But you are vital. Without you the root, there is no fruit!**

Gratefully in Christ,

**Manny & Glenda**
