### EVENTS AND INFO

#### ACC'S RESPONSE TO COVID-19 HEALTH CONCERNS

Many of you have been asking when we will be able to gather again in our facility to worship, and I'm hopeful that that day is soon. Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. That means, among many other things, that we follow the guidelines of our governing officials. Based on recent guidelines released, and what we know so far about when Snohomish County might enter Phase 3, we hope to open our doors on Sunday, July 19th!

Recently Governor Inslee made significant changes to guidelines for churches that bring us one step closer to worshipping together in-person. One of those changes is an increase in the number of people who can meet in our building at one time during the next phase of his plan. It is a significant increase that would make it very realistic for us to open our doors at that time.

We encourage all of our ACC family to conduct a small worship service at home. We have an **ONLINE WORSHIP EXPERIENCE** (including a message for kids & students) via the ACC app or our website: [alderwood.cc/online](http://alderwood.cc/online)

#### MISSIONARY UPDATE

##### KEVIN & ALINA BEACH

##### FELLOWSHIP INTERNATIONAL MISSION

Dear family in Christ!  
Greetings from Mexico!  
Since returning at the end of March, we have experienced victories in ministry like the big win of Edgar repenting of his sins and asking for Christ to save him. He came to Jesus just as he is... with a lot of difficulties. Yet, it was the

difficult circumstances in his life that God used to lead him to the cross.

Then there was the huge challenge and difficult decision to ask one of the leaders (Luis) to step down due to circumstances that disqualified him to serve in the capacity as leader.

We also discontinued to use our church building as a church and look for a new place to meet. We would like to buy a place that would NOT be Kevin and Alina's place... rather owned by the church itself.

We continue with the rehab center services. They slightly demanded that we come back and hold services there as they were very worried over the Covid-19 pandemic. They don't care anymore if they get sick...they want the church service we provide each Tuesday! Praise the Lord!  
Brothers and Sisters, the BIGGEST challenge and prayer request is for those who have come to the Lord at all stages of the discipleship process. We ask for prayer that their hearts would be turned toward the Lord, and that they would simply trust His care for them and that their understanding of the Word would translate into obedience and conviction to follow Christ!

Home Life: Pray for Wesley & Masha as they continue to work and make their marriage great. Taylor continues to work in real estate and finds other ways to make an income. Aline just returned to Liberty University to continue her aviation career.

Alina is an amazing, gifted women's counselor and teacher. I'm amazed at how she has been leading the women to "be" women of godly character. I praise the Lord for her, my ministry partner!

Please pray that we find a place to buy that would be adequate for our growing church.

Blessings!
