#### WHEN WILL ALDERWOOD COMMUNITY CHURCH REOPEN IT'S DOORS?

Many of you have been asking when we will be able to gather again in our facility to worship, and I'm hopeful that that day is soon. Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. That means, among many other things, that we follow the guidelines of our governing officials. Recently Governor Inslee made significant changes to guidelines for churches that bring us one step closer to worshipping together in-person. One of those changes is an increase in the number of people who can meet in our building at one time during the next phase of his plan. It is a significant increase that would make it very realistic for us to open our doors at that time.

At the time of this writing, we do not know the exact date for when we can re-open. Our hope is that Snohomish County will enter Phase 3 soon, so we want you to know that we are preparing for when this happens. More information is available on our website.

We encourage all of our ACC family to conduct a small worship service at home. We have an **ONLINE WORSHIP EXPERIENCE** (including a message for kids & students) via the ACC app or our website: [alderwood.cc/online](http://alderwood.cc/online)

### MISSIONARY UPDATE

#### JEFF & SHENY WALKER

#### FELLOWSHIP INTERNATIONAL MISSION

Dear Alderwood Friends,  
We are trusting in the Lord to work in Mexico during these difficult times with Covid-19. Our Sunday and mid-week meetings stopped back in mid-March. Since then we have had to be creative. Almost none of the church people and kids have

internet at home, so online services are not possible. We have been giving out Bible lesson booklets, with 12 lessons each, so they can do them at home. Then, if they do the lessons, they get a prize and we give them another Bible lesson booklet. The moms are helping the younger kids with the reading of the Bible stories. Most of them are not believers, so hopefully they will learn about the Bible through reading to their children.

We are also giving out food baskets for those in need. The Covid-19 cases continue to rise here in Mexico as well as the number of deaths. Pray for God to have mercy on Mexico and to save them physically from death as they call upon the Lord. Also pray for the Lord to open the hearts of the people here to the Gospel and that many will realize their need of Jesus as their Savior.

With limited social involvement and opportunity to work directly with people, I (Jeff) have been able to have more time for catching up on the many work projects we have at our Christian Camp. I have been working about as hard as I can, trying to not overdo it (in order to not cause back problems). Pray that I can continue to make good progress on improving the camp.

On Father's Day, our youngest daughter, Tiffany Walton, gave birth to their first child (our sixth grandson). After God blessed us with four daughters, He has now blessed us with six grandsons. We praise the Lord for His many blessings.

Thanks so much for continuing to pray for us and support us in the ministry here to Mexicans.

Love,  
**Jeff & Sheny**
