EVENTS AND INFO

WELCOME BACK CHURCH FAMILY!

We are thrilled to be holding Sunday worship services INSIDE the auditorium again! **Please RSVP every Sunday as we are limited to 200 people at each service until we reach phase 3.**

And now, we are excited to let you know that beginning November 1st we will be resuming our kids' and students' programming on Sunday mornings as well! The children's program will have a limit on the number of kids we can have, so be sure you sign your kids up as well as yourself for every Sunday at alderwood.cc/RSVP

Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. That means, among many other things, that we follow the guidelines of our governing officials. Masks are required and we need to adhere to social distancing rules, so families need to sit together.

More information is available on our website: alderwood.cc.

We also offer an ONLINE WORSHIP EXPERIENCE (including a message for kids & students) via the ACC app or our website: alderwood.cc/online

MISSIONARY UPDATE

JESSE & HANNAH VAN GORKOM

ENGINEERING MINISTRIES INTERNATIONAL

Hello Alderwood!

A lot has happened since you last heard from us. Due to an unexpected medical issue we had to fly out of Uganda in the middle of July with only five days notice. We received medical care while staying with my parents in Lynnwood. God has

been good to us, the health concern appears to be improving and we are praying for the 'all-clear' around the middle of March.

I (Jesse) have been studying for a project management certification while we are contacting supporters and churches during what has turned into an unexpected Home Assignment for our family. We are currently in Michigan spending time with Hannah's family and our supporters in this part of the country. We do hope to return to Washington before we fly back to Uganda.

The workshop in Uganda is continuing to operate, and has even completely moved into the new workshop building! However, we only have about half our crew, mostly because of project slowdowns due to COVID. Several people are covering for my Workshop Manager role while we are in the US. And because the Uganda office had already set up remote working stations for use during the lockdown Hannah has been able to continue her work remotely monitoring the workshop finances.

Please pray for continued healing and good health for our family. Pray for additional work for the workshop in Uganda and for all those who have been greatly financially affected by COVID. Pray that God would use this situation, both for our family and the EMI Uganda Workshop, to further His kingdom and show His Grace in powerful ways.

"The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace."
(Numbers 6:24-26)
