Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. MISSIONARY UPDATE

JON & AMIE CROSS

SIM, EAST AFRICA

Greetings Alderwood, It is hard to believe that 2020 is almost behind us and we, like you are thankful for all the ways that God has showed up, despite the unexpected and unknown. Jonathan has just completed six months as the director for SIM South Sudan and we are

excited to share with you some ways God has showed His providence to our team.

Our missionaries have returned to South Sudan and the small bookstore that provides Bibles and Bible study materials to local pastors is busier than ever! People are desiring to study the word of God and using their money, even in times of financial stress to learn more about God. We are so excited about how God is moving.

Jonathan recently returned from South Sudan where he was so deeply encouraged by the steadfast work of our missionaries on the ground. Your support for us is support for each of them through Jon's leadership. Thank you.

The clinic and chaplains in Doro see hundreds of patients and the clinic chaplains pray over many of them, often helping them choose to cut of amulets from various witch doctors in the area. The discipleship ministry is thriving...one of our missionaries is completing a discipleship class and raising up local South Sudanese to go to their tribes in refugee camps as missionaries to them. What an amazing thing! Here in Nairobi, one of our missionaries has provided food to assist South Sudanese refugee women in Nairobi and after a time of devotion at a distribution a M. woman shared how touched she was that our God would choose to bless her.

While the pandemic has made travel more complex, it has also given us much needed time to see how God is working in South Sudan and prayerfully think about what ways we will join Him. Thank you for your partnership with us! We pray for you often in this season that the same God at work in South Sudan will bless you in the unknown.
