EVENTS AND INFO

WELCOME BACK CHURCH FAMILY!

We are thrilled to be holding Sunday worship services in the auditorium again! **Please RSVP every Sunday as we are limited to 200 people at each service until we reach phase 3.**

We recently resumed our kids' and students' programming on Sunday mornings as well! The children's program will have a limit on the number of kids we can have, so be sure you sign your kids up as well as yourself for every Sunday at alderwood.cc/RSVP

Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. That means, among many other things, that we follow the guidelines of our governing officials. Masks are required and we need to adhere to social distancing rules, so families need to sit together. More information is available on our website: alderwood.cc.

We also offer an ONLINE WORSHIP EXPERIENCE (including a message for kids & students) via the ACC app or our website: alderwood.cc/online

MISSIONARY UPDATE

CORY & KRISTINE CRAMER

THRIVE INTERNATIONAL MISSIONS

To our Family at Alderwood Community Church We hope this letter find you blessed in your service to God, strengthened in His Word, and dependent on Him. My family and I serve in Southern Albania with a mission to strengthen the churches here to grow in depth

and impact. 2020 has been a year with challenges no missionary was prepared for. Pandemics? Quarantines? I am sure all of us have been stretched in ways we never had been in 2020.

But I hope you will be encouraged to hear what God is doing in this small but very strategic and wonderful country. This year we started construction on what will become our permanent campground facility. It is a large property and we will be able to host camps year-round. Camps have been one of the most effective ways we impact people for the Gospel. In a country where less than 1% know Christ, this is an eternal need. Through this property, thousands will be able to hear about Christ, and grow in their faith. As we prepare for the launch in summer 2021, will you pray that God continues to open doors and provide for the construction and planning?

Our family is doing well and continuing our life and ministry. Our three oldest kids are now in Albanian school and we are so thankful as they grow in language and friendships here. Kristine continually serves and cares for us and others. She is now leading Sunday School class at our church and it's a large group. What is so special is that about half of them are "street kids" who are in desperate need of love. I am preaching and teaching throughout the week, and continuing to work hard in Seminary classes here. All that to say, life is full and a blessing right now. And Covid...? right...well, here we have mandatory masks and at the moment, few cases. We just continue to pray that the country does not need a quarantine again.

Thank you for you prayers, support and for standing with us—God bless!
