### EVENTS AND INFO

Join us for Sunday services online or in person! We no longer require RSVPs for main services; however, an RSVP for kids' programming is still required.

**Sunday service times: 8:00am, 9:30am and 11:00am**

We've resumed our kids' and students' programming on Sunday mornings as well! The children's program will have a limit on the number of kids we can have, so be sure you sign your kids up as well as yourself for every Sunday at [alderwood.cc/kids](http://alderwood.cc/kids)

Our desire as a church, from the elders to the staff, is to do all we can to make decisions based on your safety and health. That means, among many other things, that we follow the guidelines of our governing officials. Masks are required and we need to adhere to social distancing rules, so families need to sit together. More information is available on our website: [alderwood.cc](http://alderwood.cc).

The Alderwood church staff and elders are praying for you regularly! Please let us know how we can be praying for you! Submit your prayer requests at [alderwood.cc/prayer](http://alderwood.cc/prayer)

The Alderwood Compassion Center is up and running! Come by on Tuesdays (9am to noon) or Saturday mornings with any donations you have...a list of items needed and the address can be found at [alderwood.cc/compassion](http://alderwood.cc/compassion)

#### PREGNANCY RESOURCE CENTER BABY BOTTLE CAMPAIGN

Your Baby Bottle gifts make a difference! When Sydney and her boyfriend first came to the PRC they were convinced they should abort. But over time PRC staff built a relationship with them and they changed their minds, and they are excited for the pregnancy! Because of you lives are saved and lives are changed. You have given \$20,000+ toward the Baby Bottle Campaign (through February 16). You can still turn in your bottle at the Welcome Center. Thank you, Alderwood!

### MISSIONARY UPDATE

GREG & LUANN LYONS  
GLOBAL SURGE, MANILA

#### Greetings from Manila, Philippines!

Metro Manila is a massive city of 22 MILLION people. When COVID 19 hit, the government basically shut down everything except banks, pharmacies, markets and grocery stores. We were in a military lockdown.

Our team immediately went into action, finding out how we could get relief to as many people as possible. Throughout this last (almost) year, we have continually found ways to share the gospel in as many ways as we can.

Small groups and discipleship continued from the very start of the quarantine, much of that on phones and via zoom calls. We actually had many saved during this time, as neighbors who before would not have anything to do with a small group, now were asking to attend.

We were permitted to start holding services again- at limited capacity. One of our annual events is 'John 3:16 Weekend' where we walk through sharing the plan of salvation in our services. We then have everyone in attendance break up into sets of two and practice sharing the Gospel. In these services, we always see people get saved and this year was no different! What a blessing to see the Gospel THRIVE during this pandemic!

#### Overcoming Barriers & Moving Forward

*"Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee..."*

#### Joshua 1:9

God has helped our team accomplish some incredible gains during the past couple of months! We have engaged several Mobile Evangelistic Youth Camps. Following local guidelines, protocols, and mandates, we have relaunched on a limited scale. We have shared the Gospel with 4,556 young people attending these mobile camps with 2,388 making salvation decisions! God is so good. In one of our congregations alone, we have 80 new young people who have begun discipleship! Nearly all our congregations are meeting throughout Metro Manila and Phnom Penh. People are finding hope during these difficult times!
