That means, among many other things, that we follow the guidelines of our governing officials. Masks are required and we need to adhere to social distancing rules, so families need to sit together.

### MISSIONARY UPDATE

**WILSON & CORA LADRINGAN**  
ADVANCING NATIVE MISSIONS

Dear brothers & sisters in Christ at ACC, Warmest Christian love and greetings! Allow us to extend to you our heartfelt gratitude for your faithful prayers and support to the Lord's work here among the poor, but precious, Aeta tribal people. Through your faithful partnership, the Lord has blessed the Aeta Children's Home tremendously beyond our expectations.

In the midst of this pandemic, the ACH continues to accomplish its God given mission, that is, to help the Aeta children physically, educationally, medically, and most of all, spiritually. Our ACH staff continue to go to the villages and conduct feeding and relief goods distribution to the children and their families. Since the start of this C-19 pandemic until today, the children went back to their villages under the care of their parents. However, we continue to provide food as well as their education. We also continue to conduct Modular Distance Education Program for the kids as ordered by the Department of Education. Our teachers in the Christian school regularly go to the villages to distribute and retrieve modules, and to pray and share God's Word with the kids and their parents. Our pastors continue to go and share the Gospel to all people even in this time of the pandemic. We have planted new churches at the Aeta villages of Nagsasa and Lawa Bangar. Please pray that we can go to Nagsasa to distribute relief (food and medicine) to the Aetas there. Please pray also that we can go to Lawa Bangar and baptize the 25 new Aeta converts. The government is prohibiting the gathering of people...please pray that they will lift the restrictions. Our medical ministry also continues to provide the children and their parents with medicine and vitamins to boost their immune system. Praise God that not one of them has been infected by C-19.

Please pray for divine protection upon our staff, teachers, pastors and medical personnel. Again, thank you so very much. Please know that your labors of love for the poor but precious Aeta people, especially the children, have not been in vain. Through your kindness and generosity, their physical and school needs are provided and they are all in good health and high spirits in the midst of this pandemic. Sincerely in Christ,

**Wilson & Cora**
