MISSIONARY UPDATE

DAVE & BREANNA MILLARD PIONEER BIBLE TRANSLATORS

Hello Alderwood family!
We thank you for your prayers and support! We have seen God push us to trust Him even when things look impossible. In March, we pushed to get *Joshua* exegetically checked (check it according to the

Hebrew) and comprehension checked (see if it is understandable by regular speakers of the language). Covid is still an issue here and we had to go through many hoops to bring our co-translator *Silas to exegetically check *Colossians* and *Galatians*. As soon as we finished, we and our co-translators met with other language project teams for our regional team meeting. The comradery of people from different tribes and countries who are doing God's work to help and serve their people is amazing. They were able to empathize with each other's troubles and laugh about the translation issues that come up. God refreshed us all greatly! God's timing of refreshment was perfect. Only a month later, COVID began to hit a deep second wave here. Our consultant (another set of trained eyes to look over the text) was already in country and set to go over *Colossians*. *Galatians* was checked long distance. *Silas flew in after only being home a month and endured multiple PCR tests so that he could finish *Colossians* and *Galatians*. Three *Vidilaka joined us with masks and social distancing to finish the comprehension and consultant checks of both *Galatians* and *Colossians*. It was amazing to see these theologically hard books grasped so easily by people who had never read them in their own language. Praise be to God! They wanted to take the copy home and share it with their communities. Despite the pandemic and multiple of us getting malaria, the work finished right before the current lockdown. God's timing is perfect. Please continue to pray for the people here as Covid is taking many lives. Pray also for the work to continue and people to get the complete Word of God in their hands. Thank you so much for your support and prayers! In Christ,

Dave, Bre, Gabe, Toby & Asher
