MISSIONARY UPDATE

KATHERINE MOSHER
MISSION AVIATION FELLOWSHIP

Dear Alderwood Community Church, My name is Katherine Mosher and it is my pleasure to join Alderwood as one of your missionaries. I was born and raised in Snoqualmie. At a young age, I dedicated my life as follower of Jesus Christ, and growing up in the church only emphasized in me the need to tell others about the Gospel. After university, I became a public high school teacher, but I knew that God was calling me to serve missionary students overseas. Since that time, I have been serving the missionary families of Sentani, Papua, Indonesia as a secondary teacher and administrator at Hillcrest School. As a missionary teacher, I have the privilege of guiding students in both their academic achievements and their Christian walk as their parents work toward expanding the Kingdom of God in this remote part of the world. Currently on furlough, I have been enjoying my time with family and friends in the PNW and serving the great Christian community as I wait to return to Indonesia. This has included speaking at other churches about missions and being a VBS volunteer at Alderwood. But, always in my mind is the need to return to the field and my students.

Praise and Prayer

- Praise that Jesus Christ is at work in the world. This past month the Wano people of Papua, Indonesia have been able to send missionaries to outlying villages in their area after the opening of a new runway.
- Praise that my school in Indonesia has finished the school year in person despite earlier setbacks.
- Please pray for my family. My aunt passed away recently, my mother's sister, and I will be traveling for the memorial. Also, although she was a Christian, the rest of her family are still searching.
- Please pray for Indonesia. Covid 19 is still an issue and many continue to get sick. The mission community in Papua has also been affected.
- Please pray for my travel in the coming months. I will be "on the road" constantly from now until January.

Blessings,
Katherine
