MISSIONARY UPDATE

KATHERINE MOSHER
MISSION AVIATION FELLOWSHIP

Dear Alderwood Community Church,
As the new year begins, it's usual for people to take stock of what has happened in their lives. For me, it has been a time of rest as I took my first long furlough from missionary teaching. I miss my friends and students in Papua, Indonesia. But, I have enjoyed my time with family and friends in the Pacific Northwest. The current plan is to return to the field in spring of this year. In the meantime, I want to tell you what God has been doing in Papua during these uncertain times. It is good to remember that nothing will stop the word of Christ from reaching his people.

The Dem tribe is located in the Highlands of Papua, close to where I live and serve with Mission Aviation Fellowship. This tribe is an example of how God has been at work. Four families from a mission organization affiliated with MAF are living in this remote area and sharing the gospel with the Dem people in their own language. Since November 2020, the team has been presenting the Bible starting at the creation story. From the beginning, the Holy Spirit has been working. For example, when the creation of woman was presented, some of the men openly wept as they realized their previous ideas about women were far from God's. In that culture, women were thought of as lesser than dogs, not as daughters of God. Each new teaching has brought many more moments of spiritual conviction and healing.

Even before they got to Christ's life, the people had already come to an understanding that they were sinful and separated from God. And they desperately wanted to grasp who this deliverer was that the Old Testament writers and prophets continually foretold. As of April 2021, now they know. They understand that he is Jesus Christ, the anointed One, the Messiah who would save mankind from their sins. And many have placed their faith in Christ. The Dem Church is born! Things are pretty simple in the isolated jungles of Papua. When people live in darkness, they know it. Wars ensue, retribution killings happen, and they live in fear of the spirits. The Dem were ready to gladly embrace God's way of forgiving their sins through the life, death, and resurrection of Christ! Thank you for your partnership in ministry with me!
