MISSIONARY UPDATE

MANNY & GLENDA FERNANDEZ
WORLD LINK MINISTRIES

Doug & Georgina Johns met with Manny & Glenda Fernandez on Zoom recently...read their report below!

Manny and Glenda Fernandez have been making disciples via World Link in many countries for over 31 years.

Always on the go, Manny had just returned to Dallas from Venezuela when he got tagged for jury duty and was headed out to Brazil soon after! Thankfully, he and Glenda were able to fit us in. Though Doug ended up being in Portland, through the magic of Zoom, we all made it!

We started with a World Link update and what followed was a lot of simply stunning ways that God has opened many doors for the gospel. Take Venezuela, where the economy is in crisis and a salary of just \$30/month is enough to encourage folks to become heads of home-based churches, and just like that - 300 churches! Years ago, World Link used that same strategy to launch 600 churches in Cuba that have grown into 15,000 today! ACC's support is not only longstanding, it goes beyond financial support. Early on, Manny & Glenda have fond memories of time spent with Chaplain Sheller Watson and his wife Edith, where they not only shared a passion for evangelism, but they made sure to teach Manny to also be a "Fisher of fish", with photos to prove it! Before we knew it, the minutes were ticking down so we asked Manny, how can we pray for them:

- Pray for the next round of churches opening in Philippines
- They have a seminary - please pray that it will bear much fruit
- Fan the flames of what is already at work in Venezuela and India
- Pray that the Lord will show us how to continue to take the ministry around the globe

Check out the video to learn more about what a house church looks like, what their (now grown) kids are up to as well as see pictures from their early connects with Alderwood Community Church!
