### MISSIONARY UPDATE

**DANIEL & SARAH DEURBROUCK**  
GREATER EUROPE MISSION

Hello ACC family!

We hope that the Lord is filling you with His joy as we enter this holiday season. Ministry in Athens has been busy and full of lessons from the Lord these past few months. Ever since the pandemic started, the small church-plant we minister in seemed to be struggling. Sunday services felt empty and people seemed afraid to leave their homes. As this school year started however, God has brought about a complete change. From familiar faces, to strangers off the street, God has been bringing people in for the weekly worship service. One group of people that have become regular attenders is a gaggle of teenagers. If you want to know what Sunday service looks like for us, imagine young boys in black hoodies sitting in the church lounge area, needing to pop outside in order to smoke a cigarette. The Lord has been bringing in all sorts of unlikely characters to hear His message. Our church-plant pastor, Errikos, and Daniel have had the opportunity to share their personal testimonies with these boys and clearly share the Gospel message.

Every Friday night, we have a kid's program with games, crafts and a Bible lesson. This year the Lord has brought in many new kids and families, some of which have then attended Sunday service. We continually pray for boldness to share the good news of salvation with them, and for their hearts to be made into good soil, ready to receive that salvation. Thank you, church family, for continually standing with us in prayer for the souls of these individuals who have never clearly heard the Gospel message before. May our words and actions be a witness to the love of Christ. Please pray for the many Christmas events we have planned over the next month and that it would be a special time of seeing God work. We praise God for his continual blessing on our family, especially as we eagerly await the arrival of Baby Deurbrouck #2 in February.

Much love,

**Daniel, Sarah & Sophia**
