MISSIONARY UPDATE

LUKE & KELLY LYONS
GLOBAL SURGE, MANILA

I can't believe we get to do this. 90 Days of blessings. Last September 18th, 2022 we launched a brand new congregation. Pastor Saldy (sounds like Zaldy) and his team have been intentionally reaching into their community for the past year. They have started 26 Community Groups

and 50 engaged in one-on-one discipleship. At their very first celebration service, God moved and we had 528 in attendance and 209 made professions of faith. One month later each of our 595 community groups held an evangelistic party. All with the intention to share the Gospel with their receptive friends, co-workers, classmates, and family. We were blown away when 5,498 showed up with 2,903 decided at that point to follow Christ.

Then in November, you (ACC) sent an amazing group to serve alongside us here at Global Surge. We intentionally targeted new churches and one church (below) who would be launching in just a few weeks. The team that came from ACC was incredible.

One amazing story is about a young lady on our team. Her name is Shai. Shai had become a follower of Christ a few years ago and had not stopped trying to find a way to share the Gospel with her parents and extended family to no avail. Well, it was through our combined effort that her parents attended a clinic on a Tuesday. On that Tuesday morning, both Shai's mom & dad as well as her uncle all sat with a counselor, heard the powerful Word of God which came alive inside them and all three accepted Jesus as their Lord and one true Savior! It was such a sweet moment. All in all, the ACC dental and medical team served 959 with 560 making a profession of faith for salvation!

Moving into early December, Pastor Ian launched his church. What's amazing is ACC served this exact community just weeks before. On Sunday December 4th, we launched with 686 in attendance and 355 making permanent decisions of faith in Christ. We have 70 one-on-one disciples and 35 community groups. It was an amazing day! God wins. This is just the beginning.
