MISSIONARY UPDATE

GREG & LUANN LYONS
GLOBAL SURGE, MANILA

The Effectiveness Of Evangelistic Camps

Through the past years, one of the most effective evangelist tools in our ministries has been youth camps. We started camps in the Philippines more than 20 years ago. Determined to reach those that seemed unreachable, we provided a camp that was all about sharing the Good News of the Gospel. Since that time, we have seen more than ONE MILLION souls saved! Our team, of mostly volunteers, has developed a strategy for recruiting, camps, and follow-up so that each person that attends will have a greater success rate in maturing, becoming soul winners and church planters themselves!

Because of the effectiveness we experienced in the Philippines, we brought the camping program to other countries, beginning in Cambodia. Thousands of souls have come to know Christ as their personal Savior, even in this Buddhist country! This country that was devastated by genocide just a few decades ago, now has hope for a future! Later, we were challenged to take the camp program into Pakistan. This is an Islamic country that knows about Jesus but believes that He was only a prophet. There are many challenges in taking the Gospel to this culture. According to the laws, a person can be put to death for proselyting. Our all-Filipino team has gone to this high-risk area and have had amazing results! In November, 6,209 young people attend our evangelistic camps, with 4,616 salvations! Recently in Botswana, an African nation, camps were initiated! Previously, we had been told that this couldn't be done...that the people here would not respond. This region has been devastated by HIV/Aids for decades. Young people are looking for real answers to life's questions. Our Filipino team arrived and immediately got to work building relationships and making connections. The response has been overwhelming! Jesus is the only hope! The results this year: 3,190 young people attended and 1,854 became followers of Christ. Amazing!

The camping ministry continues to expand across the nations! Thank you for your partnership with us as we share the GOOD NEWS!
