MISSIONARY UPDATE

GREG & LUANN LYONS
GLOBAL SURGE, MANILA

Just Between Us was created several years ago to meet an important need. Within our churches in the Philippines, Asia, and across the globe, there are pastors wives that are first generation Christians in their families. Women who never expected to become a pastor's wife. Those who did not have the opportunity to attend Bible College. Many who have little idea of what their role in the church should be. The majority of these women work a full-time job in order to make ends meet for their family, while at the same time trying to walk beside their husband in leading a church. With a burden to lift these pastors wives up, to strengthen and encourage them; we decided to start the ministry called *Just Between Us*. And so it began. The goal was to offer a 2-day retreat that is focused directly on the needs and concerns of these urban women. We offer topics that are relevant to these needs. Books and Bibles are given to help them have resources at their fingertips. Fellowship is one of the greatest needs these women have! They are longing for others who know and understand the situations they are in. Some of the women have been in ministry for decades, while others only for a short time. We have found that the mix does amazing things! The mature ones can influence and instruct the younger. The younger bring a breath of fresh air with all their energy and hope! We mix in times of fun and games, and of course, plenty of good food! There are give-aways and lots of fun moments. This retreat is absolutely that - a retreat. Pastors wives can retreat from the struggle of everyday living and have a time of refreshing and encouragement. They are away from the weight of the city, the ministry, job, and family. It is a time of refreshing. We have seen those who were wanting to quit and walk away, to being inspired and excited to move forward.

Thank you for your prayers for these precious women!
