MISSIONARY UPDATE
SAM AND JENNY HANSON
ACI INTERNATIONAL

Dear ACC Family,
ACC VBS raised money for us to buy a vehicle for transporting people and we want to share some of the ways this vehicle has already been a blessing and been put to good use. At the end of July, we hosted a youth group and the van allowed us to transport the group around much more easily to kids' clubs, to the migrant center, to church, and to do evangelism. We were able to love on close to 100 kids, sharing with them how they can be fishers of men and love their neighbor with God's love. We washed the hair of 15-20 girls to help rid them of lice and shared the Gospel and personal testimonies in small groups with many people at parks.

At the beginning of August, we led a youth camp, providing transportation to over 20 young people of the 50 that came. The youth had a blast taking hikes, building campfires, overcoming obstacle courses, playing games, swimming in a pond, and learning more about Jesus from the book of Hebrews. We were able to have good conversations with teens, encouraging them that living for God is worth it and encouraging them to keep persevering and growing in their relationship with God. Pray for us as we follow up with contacts made with the USA group and young people from camp that people will be interested in believing in Jesus.

One of our more regular purposes for the van will be to take people to and from church. On Sunday we were able to give a ride to church to 2 Haitians living here temporarily and take home a family of 5 that come from Norias, a town right outside the city. Pray that migrants and more kids and families from Norias will start coming to church and youth group and that we can reach Norias for Jesus.

Thank you, children and leaders and ACC, for your donations which have allowed us to bring more people to church and to a better understanding of God and his salvation, by helping us purchase this van!
