MISSIONARY UPDATE

CORY & KRISTINE CRAMER
THRIVE INTERNATIONAL MISSIONS

To our Dear Alderwood Family
After a long summer we are thankful for all the Lord had accomplished here in Pogradec, Albania. Our church congregation has focused on various outreaches to children, youth and families and it has been a sweet time of welcoming new families

to our church body.

This August we had a church family camp. 55 of us headed to the beach for a few nights where I taught on the purpose of the church. This camp was open to our church members and their families and so many unbelievers came. Husbands who's wives have been a part of our church came, heard the gospel and learned why the church exists. It was really encouraging to our whole congregation.

It has been over two and a half years since we were with you. And we are coming! The question was "who will preach, lead Bibles studies and help shepherd this church?" The Lord provided a family, who has moved to Albania so that we could visit after all this time. This family will preach, lead Bible studies and fill in while we take two months to visit our supporting churches, friends and family. This was a huge answer to prayer. Another answer to prayer: the Lord also provided a visa for Liv, who is now two years old. Liv was abandoned as a baby in the hospital. We got a phone call and she has been with us ever since. Her life is a testimony to God's goodness and love. We cannot wait to introduce her to our family and friends.

Our kids, for the most part, do not remember America at this point. They are excited to see family and eat donuts. We are excited to see you, worship with you and catch up on all the Lord has done since we were last face to face.

Praying for your encouragement and steadfastness in the faith today!
