### MISSIONARY UPDATE

**LUKE & KELLY LYONS**  
GLOBAL SURGE, MANILA

What an incredible past few weeks. Over the summer our Global Surge Worship Centers plan and build up to our event FRIEND DAY! Friend Day is an incredible, albeit simple strategy, to invite our unbelieving friends to church.

As part of the build up & preparation for Friend Day we have a weekend total focused on equipping & empowering each member of each congregation on HOW to share the Gospel. We call these weekends JOHN 3:16 services. Sharing the Gospel is part of our DNA at Global Surge. We spend an entire service not only walking through the plan of salvation but also time for everyone to turn to the person next to them and "practice" sharing the Good News. Without fail, we have members of our churches who bring their unbelieving friends to a John 3:16 service, knowing that they will without a shadow of a doubt hear the Gospel at least twice in that one service. Subsequently we see people not only come to faith in Jesus, but we see a whole new wave of strengthened, empowered, emboldened believers who are now more than ready to share the Gospel. After this time of preparation we then make a significant push in all three areas of our churches, Adults, Youth, and Kids to "bring a friend" to Friend Day. This year over 40 of our churches reported amazing results over our Friend Day events. Not surprisingly, many of our churches needed to spread out Friend Day over three weekends, one for each demographic being focused on. Thus allowing their team to make all the needed preparations to make the most impact possible.

This year, 2023 we had 33,924 in attendance over all our churches & most importantly 15,121 professions of Faith in Jesus Christ accepting Him as their Lord and Savior. God is moving, we are just trying to hold on and keep pace with His Power.
