MISSIONARY UPDATE

WILSON & CORA LADRINGAN
ADVANCING NATIVE MISSIONS

Dear ACC Family,
Allow us to extend our sincerest gratitude and appreciation for all your faithful prayers and support to us and the Aeta Children's Home. In September we opened the Christian Academy after a month of school vacation. The academy offers free education for the Aeta children. We have 120 students — some of them are newcomers coming from different villages here in Zambales. These students stay in the Children's Home where their physical needs (food, shelter, clothes, education) and more importantly, their spiritual needs are provided.

In October, many of the children got sick. Our doctor son Immanuel (who heads our Medical Clinic) provided free medical care for the children. Cora (my wife who is a registered nurse) took care of the children with the help of the staff. Praise God that after a couple of weeks, the sick children got well.

Concerning our family, our lawyer daughter, Praise, just got married on November 4th. Her husband Karl is a doctor at the hospital in the city. The wedding of Praise and Karl was blessed by the Lord's presence. It was a Christian wedding officiated by our pastor Pantoja. Families of Karl and our family celebrated joyfully. Praise also just completed her Master's Degree in Human Rights at the University of Edinburgh at Scotland in September. She was granted full scholarship by the UK and graduated Summa Cum Laude, the highest honor given by the university to a graduate student.

Cora and I continue to go and share the Gospel to all people within our reach. Aside from being the founders and administrators of the ministry, we are also pastoring a church in the next town. Pastoring is our first love. Indeed, there is no retirement in serving our Lord. As long as we have breath and our minds are clear, we will go and win one more soul for Jesus, until the Lord's return or until He takes us to our permanent home in heaven. The love, joy and peace of our LORD JESUS CHRIST be with you now and always.

Wilson and Cora
