John 17:6-26
(Page 877-878, 1070-1071, or 1083-1084)

“As you have sent me into the world, I have sent them into the world.”
John 17:18

Big Idea: Jesus has sent you into the world to change the way people think about Jesus.

Sermon Questions:

1. Spend some time individually and in your group praying these four requests regarding the Compassion Center.
That we would grow in:
 - Unity around our mission to spread the gospel.
 - Awareness of the needs in our community.
 - Compassion to meet those needs.
 - Generosity to invest in the Compassion Center.

2. Read **John 17:1-5**. How would you describe the work God sent Jesus to complete?

6. Read **Matthew 5:14-16**. What is something new that you believe God may be sending you to do to “let your light shine before others” so that, in your sphere of influence, people see your good works and “glorify your Father in heaven”?
