

# **New Normal: A Transformed Church Before a Watching World A Grace That Transforms Everything**

Chad Hoffman // July 12, 2020

Titus 2:11-15

**Big Idea: A transformed understanding of \_\_\_\_\_ transforms our life.**

**1. His \_\_\_\_\_ is the only thing that changes \_\_\_\_\_.**

**2. Grace transforms what we believe about how we should live  
\_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.**

**3. Imagine if the way you \_\_\_\_\_ and \_\_\_\_\_ to God gave the  
watching world a \_\_\_\_\_ view of God.**

#### 4. Grace is God meeting man at his moment he realizes he needs

---

Challenge: The way you live your life in light of this belief about grace, might be the first and only encounter someone has with Jesus and His grace.

### Sermon questions

1. We need instruction on *what* a godly life looks like (**Titus 2:1-10**). However, motivation is essential. Often we do not do *what* we're supposed to do until we understand the *how* and *why* behind it. How will these verses help you understand the *how* and *why* of living a godly life?
2. Grace, like love, is not a physical thing that you can see. So how did God's grace "appear" to all people (v.11)?
3. Read v.12. How does God's grace motivate you to say "No" to ungodliness and worldly passions" and to live a "self-controlled, upright, and godly life" now?

Think about areas where you need to say no to sin and yes to God's will. How will Pastor Chad's message and today's verses help you in those specific areas?

4. Read v.13. Would you say you're looking forward more to Christ's return, or to a more comfortable earthly life? Talk about what Christ's imminent return means to you.

How does one get to the place where Christ's return motivates his daily choices now?

5. Read v.14. How has Christ redeemed and purified you personally? Share with your group some of the specific ways Jesus has changed your life.

In v.14 some Bible versions say we're to be "zealous" for good deeds. Look up the word zealous and write out the definition and some synonyms.

How is Jesus making you zealous for good deeds? Give some examples.

What is your responsibility in becoming zealous for good deeds?

What responsibility do we have to each other in becoming zealous for good deeds (Read **Hebrews 10:24-25**)?

6. Why do you think the church, as those who have God's Word and belong to Him (v.14), many times do not change as these verses say?

What can be done about this? Explain.
