

Good News
Loving Like Jesus

Romans 13:8-14

Big Idea: The Gospel is Good News that transforms us to love like Jesus.

We love out of Jesus' **abundant** love towards us. **John 13:34**

We love by always seeking the **good** of others.

Lyrics read from "Same Love" by Macklemore and Ryan Lewis, from the 2012 album, "The Heist"

Genesis 3:6

We love in light of **eternity**.

Discussion question: "Who do you find difficult to love like Jesus and how can Jesus' love for you transform that relationship?"
