Genesis 1-3

Big Idea: God designed sexuality for our good.

What is sexuality's purpose?

Sexuality: The totality of all that makes us sexual beings.

1. God designed sexuality for our good.

Genesis 1:1, 27-28a

2. God designed sexuality.

Genesis 2:24

3. God's design for sexuality is good.

4. God gives us a high view of sexuality and a low view of sexuality at the same time.

Genesis 3:6-8

The World: You need to pursue your desires to find fulfillment.

God: You need to control your desires to find fulfillment.

4. How can you **grow** in embracing God's design for sexuality, either for yourself or as you have influence in the lives of others?

5. As you **go** towards people who need Jesus, how can you best represent God's vision for sexuality in a way that draws people towards Jesus rather than repelling them?
