Big Idea: Jesus redefines who is truly blessed in his kingdom.

Sirach 25:7-10

The Beatitudes are not:

- 1. A list of ethical demands**
- 2. A way to save yourself**

The Beatitudes are:

- 1. A rejection of the religious and societal values of the day**
Luke 6:24-26

- 2. A message of hope to those society looks down on**
