Seven questions to ask before you correct someone:

1. Is this something that Jesus cares about?
2. Is my attitude one of building up or tearing down?
3. Do they want to follow Jesus?
4. Am I as hard on myself as I am on them?
5. Has this person invited me to speak into their life?
6. Would Jesus speak to this person like this?
7. Have I talked to Jesus about this yet?
