Building Blocks The Creation Story Gerry Breshears // September 18, 2022 Genesis 1-2

Message questions

We're beginning our year of growing in our love of Jesus and the Scriptures. The first series in our year-long journey through God's Story is called *Building Blocks*. We are studying five big themes in the beginning of the Bible to give us some foundation we need to understand more of who Jesus is and where he is leading us today. This week, our passage is **Genesis 1-2**.

Use these questions to discuss the message from Sunday, focusing on how you can grow as an everyday follower of Jesus and how you can go accomplish what Jesus calls you to do.

1. What did Gerry Breshears share about the creation story that was new or different from what you have been taught in your childhood?

2. Have someone read **Genesis 1:1.** What does it mean when the author says, "beginning"?

3. Read **Genesis 2:15-17.** How does this verse help you understand "work"? How do you understand what the tree of knowledge of good and evil is?

4. How does a better understanding of the creation story help you grow?

5. What characteristics do we learn about God in the creation story, and how does that change the way you **go** to represent Jesus to the world around you?
