

Welcome

We're glad you're here

If you're a guest, we invite you to take a gift bag as our way of saying "thank you". Inside you'll find information about the church, resources, and a certificate for a free drink at our espresso stand. Available at our Welcome Center in the lobby.

We want to hear from you! Fill out the Communication form on the app or the Communication Card in the seat-back in front of you. We would love to pray for you and get you more information. Drop the card in the offering as it goes by.

Nursing mothers, a lounge is available for you and your baby in the East Hallway, near the nursery. The worship service will be provided for you on a TV.

Finally, if you would like prayer for any reason, we invite you to come forward at the end of the service. We have a team of people ready to stand with you in prayer.

MISSIONS UPDATE

RICK & LISA KELLUM
BRIDGES INTERNATIONAL

Hello Alderwood! It's always a treat to be able to update you on the comings and goings in our life and ministry with international students and scholars. Most recently, we returned from the Bay Area where we held a San Francisco Summer Mission. Rick was one of three co-leaders that organized this project. It was a training and outreach mission to introduce students to different evangelism tools and then have a chance to use them at the Berkeley and Stanford campuses. We also offered a special "context training" that was specific training in how to share with Muslims, Chinese and East Asians as that is what makes up the majority of the students that we work with. It was an amazing time! These students (some of whom have never shared their faith before) were motivated to learn and stepped out in faith to share the gospel. At the end of our two weeks, we were able to have about 105 spiritual conversations and shared the gospel clearly with over 25 students! Since our return, we continue to sow seeds...

LUKE'S VBS STORY – A SURPRISE YES

Luke's mom was surprised when she found out that her son's second-grade friend from school was signed up for Alderwood's VBS. She had only invited his mom the day before but assumed they would say "no" as they had before. Luke has shared his faith with this friend several times and invited his family to church events, but they hadn't seemed interested. This time they said yes! They don't practice any particular faith, but they said they wanted their son to be exposed to religion. At VBS, the family received a copy of the Adventure Bible and The Jesus Storybook Bible - and they're reading it! After the first day, they sent Luke's mom this text: "Thank you so much for giving my son the VBS experience and the books. We will enjoy reading and learning about God."
