

# Welcome

We're glad you're here

If you're a guest, we invite you to take a gift bag as our way of saying "thank you". Inside you'll find information about the church, resources, and a certificate for a free drink at our espresso stand. Available at our Welcome Center in the lobby.

We want to hear from you! Fill out the Communication form on the app or the Communication Card in the seat-back in front of you. We would love to pray for you and get you more information. Drop the card in the offering as it goes by.

MISSIONS UPDATE

JESSE & HANNAH VAN GORKOM

ENGINEERING MINISTRIES INTERNATIONAL, UGANDA

Brief Intro: Jesse, Hannah, and Addis (recent addition) serve with Engineering Ministries International in Uganda. Jesse is the Workshop Manager and Hannah helps with the workshop finances. Addi is everyone's favorite, however...

I want to share some answers to prayer:

- We are happy to announce the birth of our first child, Addis Lee, on April 8! She continues to grow strong and is a joy in our lives! Hannah is feeling much better four months after the c-section, and we are praising God she and Addi are both healthy!
- The EMI Kili-climb fundraiser for the workshop expansion was a success!
- The workshop expansion is progressing quickly; we are so thankful for the potential this new shop has! Hopefully it will be move-in ready by the end of 2019!
- The workshop discipleship program is going well, and several workshop staff really stepped up to help lead it while we were in the US for Addi's birth.

And here are some prayer requests:

- Construction on the new workshop building will be phased throughout the next couple years.
