If There Be a Willing Mind
Following Jesus Every Day
Deuteronomy 15:7-11 and 2 Corinthians 8:1-15
(Pages 152, 187, 191 and 928, 1146 or 1161-1162)

3. The acronym “TERM” refers to Time, Energy, Resources, and Money. How could you personally apply “TERM” to serving at Alderwood’s upcoming Trunk & Treat outreach?
4. Think of the following two adjectives as a continuum:
GRUDGING—GENEROUS.
- Grudging (adjective): displaying or reflecting reluctance or unwillingness. (dictionary.com)
 - Generous (adjective): showing a readiness to give more of something than is necessary or expected. (dictionary.com)

Where do you fit in the continuum?

Are you satisfied with that place?

How do you think God views your location on the continuum?

5. Read **Deuteronomy 15:7** again, substituting “Fellow Alderwood Community Church members” for the phrase “Fellow Israelites.” As a Christian - an Everyday Follower of Jesus – to whom and in what ways could you apply this verse?

6. Our guest speaker, Sylvia Anderson, challenged us to be people who not only seek to bring change but also to be changed – in other words, people who are about not only calling others to repent, but also repenting regularly themselves.
- How do you think of the word “repentance”?
 - Is repentance something that has been ongoing in your life?
 - How might working with needy people lead us to repentance?
