What Hope Looks LIKE

For Further Study:

During the holidays, while *Life Groups* take a break, we will include questions for further individual study. Our hope is that these questions will help you deepen your understanding of God's word.

1. Read **Luke 2:1-18**. What do these verses tell you about God's attention to detail in your life? Give an example or two to explain your answer.

2. Read **Luke 2:8-12**. What do the angel's message and the rejoicing of the heavenly host teach you about the importance of Jesus' birth?

3. Read **Luke 2:15-16**. How many mangers do you suppose were in Bethlehem? How do you suppose the shepherds found that one particular manger? How is their response to the message an example to you?
4. Read **Luke 2:18**. How can/will you help yourself and others be amazed all year long that Jesus was born for you?
