

## NEW TO ALDERWOOD?

### →For Our Guests

- We're glad you are here! Stop by the Welcome Center in the lobby and pick up a **Guest Gift Bag**...includes a gift certificate for a beverage of your choice at the espresso stand in our lobby.
- Please fill out a Communication Card located in the chair pocket in front of you and place it in the offering plate later in the service, or drop it off at the Welcome Center.
- You are welcome to take one of the Bibles under the chairs as a gift from us.
- All of our worship services experience the same sermon but have distinct musical styles: the 8:30am service is a blend of hymns and contemporary worship songs, and may include Choir & Orchestra. The 10:00am and 11:30am services offer a modern, alternative worship style.
- We offer a supervised and secure nursery, a preschool aged program, and classes for adults and kids of all ages.
- If you are a nursing mother, we have a lounge for you and your baby in the East Hallway near the nursery. (No sick children please.) The service will be on a TV monitor.
- If you need prayer, please come forward at the end of the service. We will have prayer team members there ready to pray with you.

#### Cru - The JESUS Film Project

On orientation day for winter quarter at Everett Community College, I (Barb) ran into Kazuna, a Japanese student whom I've gotten to know through **Talk Time**, a weekly gathering in our home for international students and believers ministering to them. I was excited to see her, but quickly noticed she looked upset. I asked how she was and she started to tear up. I reached out to hug her as she began to cry. We sat down, and she sheepishly told how she thought she had registered and paid for her classes a couple of weeks back during registration, but just found out she hadn't, so no classes to attend with the quarter starting in just a few days! So here she was, 5,000 miles away from home on her parent's money and she couldn't attend school. She felt the failed responsibility and the shame of it all. After comforting her, telling her things would get better, I asked if I could pray for her and she quickly said, "Yes!"

After praying, I asked if there was anything else I could do. In broken English, not knowing quite how to say it, she responded "You are here!" meaning, "Just you being here for me now has made all the difference".

I encouraged her to take a deep breath and start the registration process again. The next day I texted to tell her I was praying for her and the following morning she triumphantly texted back; she got two of the three classes she needed! She profusely thanked me for my prayers and then made my day by thanking "god" (written with a small "g" in her text but, oh well, we are making progress!). In another conversation, she mentioned how she clearly saw how God had answered her prayer! She returns to Japan in March. She attended the annual Christian ministry ski retreat for international students at Mt. Baker which, besides the fun, helped students understand the "true" meaning of Christmas. Pray as she processes the Gospel she has seen and heard in her time here.
