### MISSIONARY UPDATE

#### PREGNANCY RESOURCE CENTER

SANCTITY OF HUMAN LIFE SUNDAY

As ultrasound patient Stacy's appointment drew to a close, she remarked, "I am so glad a clinic like this exists." In her exit survey she wrote how welcome

and inviting everyone was during her appointment. When patient Ava got her follow-up call, she told how cared for and loved she felt throughout her appointments. She so believes in what the PRC does that she refers women to the Clinic and wants to help reach other women in unplanned pregnancies. Abortion advocates say that clinics like the PRC are abusive and judgmental. If that were true, would Stacy and Ava report how carefully they were treated? These women, and more, spread the news about the PRC because they were treated with love and respect. The PRC exists to minister to women and families in unplanned pregnancies. Walking through the Clinic doors, they enter a no-judgement zone – a place where they are accepted, supported and served with excellence. They receive answers to their questions and resources for their needs – all so they can make an informed decision about their pregnancy.
